Notes:

1. The School of Engineering HKDSE Scholarship Scheme applies to local students admitted to Engineering (ENGG) or Engineering with an Extended Major in Artificial Intelligence (ENGG+AI) on strength of HKDSE results only.
2. The scholarship amount listed above already included the scholarship award granted by the university based on the same HKDSE results attained.
3. The subjects refer to the senior secondary subjects in Category A. Results of Applied Learning subjects and Other Language subjects will not be considered in the scholarship scheme.
4. Mathematics Extended Module 1 (Calculus & Statistics) and Mathematics Extended Module 2 (Algebra & Calculus) are also considered as independent subjects for fulfilling the requirements of the Scholarship Scheme.
5. For awards for 2 or more stars, at least 1 star should be from the following subjects: English Language, Mathematics (Compulsory Part), Biology, Chemistry, Physics, M1, M2, Combined Science, or Information and Communication Technology.
6. Only HKDSE results in one single sitting will be considered.
7. Successful applicants of SNDAS are also eligible.
8. Eligible students will be automatically considered for the Scheme based on their final HKDSE results.
9. Awardees of this scholarship who had obtained 2 stars or more will be given bonus in their applications for the Engineering School UG Exchange Program.
