

Account Creation / Login

- Create a new account by providing your email address, last name and first name on the [Create Account page](#)

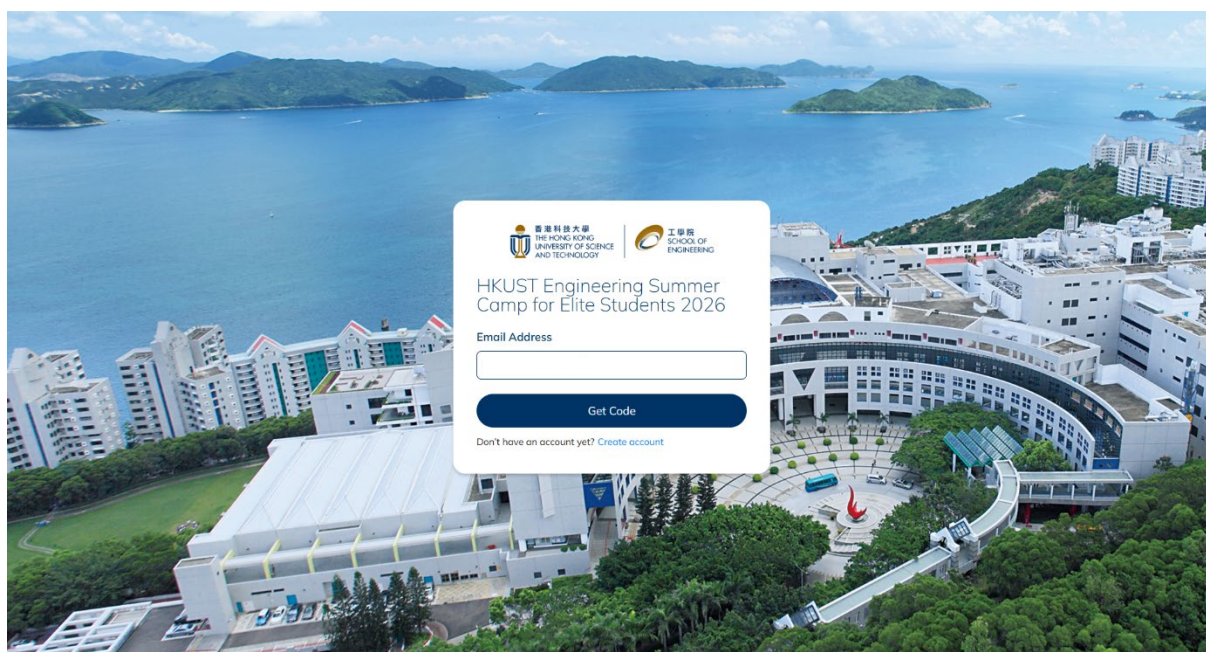

A screenshot of the application form overlay on the HKUST campus background. The form is white with a rounded rectangle shape. At the top, it features the logos of HKUST and the School of Engineering. Below the logos, the title "HKUST Engineering Summer Camp for Elite Students 2026" is displayed. A sub-header reads: "To start with the application, enter the code we just emailed to katetomrk@icloud.com:". The main input section is titled "Enter the 6-digit Code" and contains a row of six input boxes, with the first box containing the digit "1". Below the input boxes is a "Submit" button. At the bottom, there is a link that says "Did not receive code? Send again".

- Activate your account by entering the one-time passcode (OTP) sent to your email address

A screenshot of the application form overlay on the HKUST campus background, identical to the one above but with the year "2025" instead of "2026". The form is white with a rounded rectangle shape. At the top, it features the logos of HKUST and the School of Engineering. Below the logos, the title "HKUST Engineering Summer Camp for Elite Students 2025" is displayed. A sub-header reads: "To start with the application, enter the code we just emailed to". The main input section is titled "Enter the 6-digit Code" and contains a row of six input boxes, with the first box containing the digit "1". Below the input boxes is a "Submit" button. At the bottom, there is a link that says "Did not receive code? Send again".

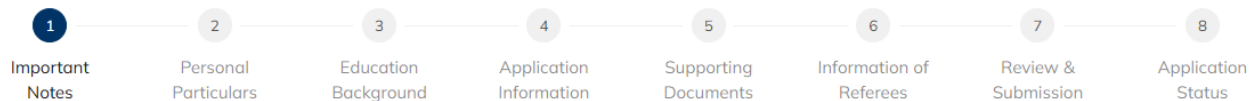

HKUST Engineering Summer Camp for Elite Students 2026 - Sample of Online Application Form

- To login, enter your registered email address on the [Login page](#), and enter the OTP from the automated email of “Account Verification”

Step 1 – Important Notes

- Please read the application guidelines and important notes before completing the online application form

Step 1

Important Notes

Please read the application guidelines and important notes before completing the online application form.

Important Notes

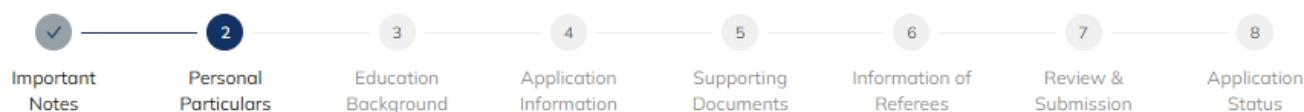

- This online application form should be completed by the applicant and must be submitted to the HKUST Office of the Dean of Engineering (Research and Graduate Studies) (DENG RPG) by **23:59 on 16 March 2026 (GMT+8)**. No changes can be made after submission.
- Please read the [application guidelines](#) and important notes before completing the online application form.
- The application form must be completed in English.
- All submitted documents or information will not be returned to the applicants.
- You may check your application status via this online application system after submitting your application. Please allow 3 working days for the organizer to update the status in the system.
- DENG RPG will send a letter of acceptance to the shortlisted applicants via email by 16 April 2026 (GMT+8). Please check your spam or junk email box regularly. Important messages, including updates and notifications, may sometimes be filtered there.
- All information submitted will be kept strictly confidential and will only be used by the Hong Kong University of Science and Technology (HKUST) and viewed by the School of Engineering and its departments for the purpose of selection.
- In compliance with the requirements of the Personal Data (Privacy) Ordinance of Hong Kong, HKUST has formulated a [University Data Privacy Policy Statement](#) to ensure compliance by staff and agents in handling the submitted personal information with the strictest standards of security and confidentiality.
- In addition to the Personal Information Collection Statement (PICS) stated in "Step 7: Review & Submission", applicant who is residing and located in the Chinese Mainland, please also read carefully the PRC (People's Republic of China) Addendum before submitting the online application.

☒ I acknowledge that I have read and understood the important notes.

[Start Application](#)

Step 2 – Personal Particulars & Contact Information

- Provide your personal particulars and contact information (including your [institutional email address](#)) for communication purposes
- Please provide the information of your identity document if it is available

Step 2

- After submission, you will receive an automated email of “Successful Submission” with your online application number for future correspondence
- Once submitted, no changes can be made to your application

Application ID - DR260122-00008

Ready for Submission

- Please read the declaration and Personal Information Collection Statement, if appropriate, and PRC (People's Republic of China) Addendum.
- Keep a record of your completed online application form before submission (print and save as PDF).
- After submission, you will receive an acknowledgement email with your online application number for future correspondence. Please include your application number in the subject line of your email for enquiries.

Submission

- ☒ I understand that the information provided in this form and the submitted documents for the HKUST Engineering Summer Camp for Elite Students 2026 will be used by HKUST and viewed by the School of Engineering and its departments for the purpose of selection.
- ☒ I hereby declare that the information provided in this form and the submitted documents is true, accurate and complete to the best of my knowledge.
- ☒ I agree to abide by the rules of the Summer Camp and the rules stipulated in this application form. I understand my application may be disqualified if any of the information provided in the application form is false or incomplete.

Personal Information Collection Statement

The Hong Kong University of Science and Technology (HKUST / University) pledges to comply fully with the requirements of the Personal Data (Privacy) Ordinance, and your personal data is protected in accordance with the standard required by law. The personal data collected from you will be used by the HKUST School of Engineering (SENG) to inform you of updates, select candidates, and make necessary arrangements for activities for shortlisted participants regarding the HKUST Engineering Summer Camp for Elite Students 2026. It will also be used for sending admission-related information and may be provided to other relevant departments/offices within HKUST for administrative and academic purposes. We will not disclose any personal data provided by you to any external bodies or organizations unless you have been previously informed. For access to and modification of personal data held by SENG, please email sengpgevents@ust.hk.

Personal Information Collection Statement - PRC Addendum

(It applies to individuals currently residing or located in the Chinese Mainland)

The University collects your personal information (PI) directly from you when you apply for the HKUST Engineering Summer Camp for Elite Students 2026. HKUST will only collect, hold, use and disclose PI to enable SENG and department/offices to meet legal obligations and where it is reasonably necessary or related to the activities. The sensitive PI that may be collected from you is necessary for SENG to provide you with its various services. We will not transfer your PI to any third party unless your prior explicit consent has been obtained. Your PI is created, stored and transmitted securely in paper and electronic formats including databases provided by externally hosted and supported systems. The University will only store your PI within the time limit that is necessary for us to perform the service for you. For access to and rectification of your PI held by SENG, please email sengpgevents@ust.hk.

- ☒ I have read and agree to the Personal Information Collection Statement and, if applicable, the PRC Addendum.
