

## SENG Summer Camp for Elite Students 2020

### Background

School of Engineering is going to organize the SENG Summer Camp for Elite Students 2020 at HKUST on 5-11 July 2020.

### Objectives

It is a great and enjoyable way for the participants to learn about Hong Kong and China while building up their academic network.

### Date

5-11 July 2020

### Eligible Students

The Summer Camp for Elite Students is open for senior undergraduate students and master's students who demonstrate outstanding qualities of academic performance, research potential, and communication skills.

### About the Summer Camp

This exciting Summer Camp is a combination of Leadership training session, research talks, Lab tour, Industry visit, interactive activities as well as off campus sight-seeing. It gives participants the opportunity to explore their research interests and gain diversity exposure.

School of Engineering will provide accommodation, local transportation, meals, external seminars, and cultural activities during the camp.

### Program fee and Sponsorship on airfares from School of Engineering

The program fee for the participants from our partner institutions will be waived. They will only be required to pay for the international airfares between their home countries and HK. Small amount of sponsorship on the airfares may be provided, subject to the agreement with us.

For participants who are not from our partner institutions, they may be required to pay for the full program fee of the camp (HK\$6,600/US\$846) and the international airfares between their home countries and HK. Subject to their academic performance and the agreement of School of Engineering, their program fee may be waived.

## Entry Visa to Hong Kong

All students, excluding those from visa waived countries, are required to obtain a valid entry visa immediately after receiving acceptance notification from this program. School of Engineering will provide assistance for students in obtaining the visa, if requested. It is also mandatory for the students to purchase the medical/travel insurance before their arrival in HK.

## Application Procedures

Interested parties are required to submit an online application through the [online application system](#) during 6 January - 31 March 2020. Students nominated by their home institution(s) are given higher priority in the selection process.

Selection results are released in late-April 2020.

Should you have further enquiries on the Summer Camp, please feel free to contact Kammy Chan of School of Engineering ([egkammy@ust.hk](mailto:egkammy@ust.hk)). We look forward to having you on board on an exciting journey to explore the wonders of HKUST and Hong Kong!
