Continuing Education Fund (CEF)

With effect from Fall 2020 intake, the following 4 core courses have been included in the list of reimbursable courses under the Continuing Education Fund. This program (MSc in Big Data Technology) of these modules is recognized under the Qualifications Framework (QF Level [6]). After 1 April 2019, successful applicants who are HK citizens and are eligible for CEF may be reimbursed with a maximum sum of HK$20,000 upon successful completion of either one of the following four core courses with an overall attendance rate over 70%. For details and updates of eligibility, application, and reimbursement procedures (in particular the reimbursement period from the date of application), please check the CEF Office or 3142-2277 (24-hour enquiry hotline).

Attention: Effective from 1 April 2019, there will be a series of enhancement measures related to CEF applied to all new, currently valid and closed accounts.
