**Continuing Education Fund (CEF)**

This course in the program has been included in the list of reimbursable courses under the Continuing Education Fund. The programs (MSc/PGD in Environmental Engineering and Management) of this module are recognized under the Qualifications Framework (QF Level [6]). After 1 April 2019, successful applicants who are HK citizens and are eligible for CEF may be reimbursed with a maximum sum of HK$20,000 upon successful completion of the entire program with an overall attendance rate over 70%. For details and updates of eligibility, application, and reimbursement procedures (in particular the reimbursement period from the date of application), please check the CEF Office or 3142-2277 (24-hour enquiry hotline).

Attention: Effective from 1 April 2019, there will be a series of enhancement measures related to CEF applied to all new, currently valid and closed accounts.
