

Course code  
**CPEG 3930**

Course Title  
**Academic and Professional Development II**

### Course Description

Continuation of CPEG 2930. This is a compulsory, one year course for Computer Engineering students only. Graded P or F.

### List of Topics

Each student is assigned a CSE/ECE faculty advisor who meets with them twice a year (once in Fall term, once in Spring term) on an individual/group basis. Other activities including orientation dinner, career talks and workshops organized by the program.

### Statement of Objectives/Outcomes

Upon successful completion of this course, students will have had:

- the opportunity to discuss academic and professional matters of both general and individual concern with their advisors.
- the opportunity to express their views on matters related to their study of computer engineering.
- practice with English communication, in speaking and listening, on both academic and non-academic topics.

### Textbook(s)

No textbook

### Grading Scheme

To get a Pass, students must attend all meetings and activities.
