

Course code
CPEG 3930

Course Title
Academic and Professional Development II (Spring 22-23)

Course Description

Continuation of CPEG 2930. This is a compulsory, one year course for Computer Engineering students only. Graded P or F.

List of Topics

Each student is assigned a CSE/ECE faculty advisor who meets with them twice a year (once in Fall term, once in Spring term) on an individual/group basis. Other activities including orientation dinner, career talks and workshops organized by the program.

Statement of Objectives/Outcomes

Upon successful completion of this course, students will have had:

- the opportunity to discuss academic and professional matters of both general and individual concern with their advisors.
- the opportunity to express their views on matters related to their study of computer engineering.
- practice with English communication, in speaking and listening, on both academic and non-academic topics.
